

Altis Managed Services

We can manage the data and analytics environment for your organisation. Call us to find out more.

Whether on-premise, cloud or hybrid and with a program tailored to your requirements, our Managed Services allow you to focus on your core business.

Altis Managed Services Flexible Configuration

Business Hours (eg. 8am-6pm, 24x7)

Support Level (eg. Level 1, 2 or 3)

SLA (eg. Critical in 2 hrs)

Enhancements (eg. 2 days/month)

The Altis **"Peace of mind promise"**: By using our Managed Services, you can enjoy **absolute confidence** in the safety and management of your data.

Our Managed Services team have the experience and expertise required to deliver you tangible benefits:

Cost Reduction - We have the scale, resources, technical skills and experience to be more cost-effective than internal resources.

Risk Mitigation - Outsourcing to Altis mitigates risk, as our skilled team takes accountability for your success.

Greater technical expertise - We have the best people in the business. Having their skills at your disposal enables your business to get the edge on your competitors at a fraction of the cost of internal ownership.

Data availability - We ensure your systems are monitored and problems are addressed and fixed before you even get into the office.

Stability and safety - We have the proven stability of service and technical experience, to give you absolute confidence in us as the safest outsource partner for your data and analytics needs.

Altis Frameworks & Best Practices			
Training, Knowledge Transfer & Skills Uplift			
Connecting with Courage, Heart & Insight			

Whether your challenge is big data, analytics or data warehousing in the cloud or on-premise, talk to us so we can better understand your situation and share our relevant experiences. More importantly, we can introduce you to one of our clients who has faced a similar situation or challenge and they can share how Altis helped them deliver a tangible business outcome.

Our referenceable outcomes are underpinned by best-practice methodologies. From **Advisory, to Delivery, to Managed Services**, Altis will be your trusted partner to ensure expectations, objectives and business outcomes are successfully delivered.

Call Altis today to find out how we can help with your training requirements.
